

MARBELLA CLUB

### **Easter at the emblematic Marbella Club Golf Resort & Spa and El Lodge Ski & Spa**

#### **February 2018**

Once again, the Marbella Club Golf Resort & Spa proves to be the ideal destination for families and friends to spend an unforgettable Easter, by celebrating longstanding Spanish traditions as well as creating new memories with exceptional experiences such as the 'Sun, Ski & Sea' package.

Easter holds great significance in Spain and is celebrated in the form of Semana Santa or 'Holy Week', a religious festival leading up to Easter Sunday. Although it is celebrated all over Spain, Andalusia famously conducts extravagant processions bringing many to the area. The festival is a magical experience and an ideal time for families to connect and to discover deeply held Spanish traditions amongst the splendor of the Marbella Club. For younger guests, the resort is also offering a superb range of activities, including the annual Marbella Club Easter Egg Hunt, festive basket making, chocolate cookery lessons, pottery classes and aroma workshops. Yoga classes, cycling trips, paddle boarding, golf and visits to Puerto Banus and Marbella Old Town are also on offer.

Located in the grounds of the original villa belonging to the Marbella Club founder, Prince Alfonso von Hohenlohe, a member of one of Bavaria's grandest families, the innovative Kids' Club at the Marbella Club cultivates a lifetime of memories for young guests. Originally the von Hohenlohe family home, it is where their children played alongside those of guests, such as Audrey Hepburn and the Duke of Windsor. The club was created to thrill, educate and challenge children in a playful, dynamic environment and offers a range of age appropriate activities providing young children with the opportunity to develop their senses and skills through cooking, gardening and arts & crafts. The 5,000 sq ft Kids Club is open 365 days a year for children aged 4 – 12 years.

The Marbella Club will also be offering its unique 'Sun, Ski & Sea' experience, allowing families to enjoy the ultimate luxury getaway that combines both snow and sun throughout the Easter period. Families can spend three nights relaxing in the warmth of the Mediterranean coastline at the Marbella Club, before taking a short transfer to the exclusive sister resort, El Lodge Ski & Spa in Sierra Nevada, Granada, to enjoy a luxurious alpine retreat. The unique positioning of El Lodge, within Europe's second highest mountain range, just two hours' drive from the Marbella Club, allows guests to enjoy the best of both worlds.

The 'Sun, Ski and Sea' package includes:

- Three nights' accommodation at the Marbella Club in two interconnected Deluxe Double rooms
- A champagne breakfast
- One green fee at the Marbella Club Golf Resort

- Daily access to the Kids Club
- Lunch at The Beach Club for two adults
